The Power of Leadership

**When brilliant minds work together to create
a school that cares, "It is called the joy of learning"**

Today, children in India are growing in a more challenging and demanding environment. The rate of change in every sphere is rapid with the enhanced knowledge, exchange and technology development, the world is going flatter, globalization demands a new dimension to our approach to education. We thus have to recognize the need for a globally relevant education. Such an education would mean imparting skills that would develop mental agility in individuals to confidently interact and work in diverse environs or situations.

we believe that the job of an educational institution is to help every child and bring out his or her unique talent. The Sanctum Group of Schools curriculum and the ingenious & hand-picked staff aim to deliver a wide variety of physical, intellectual, emotional, and spiritual activities. This enables students to have a deep gratifying learning experience, develop a complete human being and remain engaged with the learning process as a result.

FROM THE CHAIRPERSON'S DESK

Mrs. Jyoti Pavan Gupta

(Chairperson & Co-founder)

We at Sanctum Group of Schools will devote to the strengthening of values that we as a society hold very near to our hearts, but which are fast dwindling at the altar of modernization. Feeding the head and ignoring the heart is not something that we encourage in our school, we believe that it is-only when both the heart and the head get together, that one sees the elevation of a true human being.

Our students must be taught both at home and in school that respect for different point of views is essential, that while we move towards success. We must not forget to lend a helping hand to those who need, that our values must not be compromised with, despite the challenges that we encounter in life.

The best in society is fast being replaced in many ways and the onus of responsibility on the school and the parents is greater now then ever to ensure that our children are both physically and mentally strong enough to hold their own in the face of the more attractive evils. To develop the strength of the mind, children must be allowed to face problems rather than be protected from them. The training of the mind to be strong will be complete only when the children learn to accept a "No" and understand that the beauty of life lies as much in its failures as in its triumphs.

Let us work together give our children the solid foundation of values, deep rooted in the respect that we must have for our fellow beings Let them be such individuals who face up to challenges and not buckle under them. I am sure that our students, with the right kind of guidance will be the perfect beings that we want them to be.

Wishing the students, parents, the teaching and the administrative staff the very best for session.

SANCTUM

Globalization has paved way for the new opportunities and hence the profile of the winners and leaders in this new age is changing. The school, only next to the family, have a special responsibility. They must equip the children with positive attitude and skill sets essential for winning in this competitive information age. Hopefully our Information Booklet will provide you with useful information and enable you to gain an insight into our schools.

Inculcating love for learning is key focus, which is achieved by delivering a creative, interesting and balanced curriculum, which is updated regularly, keeping in mind the need of the hour, Equal care is taken for creating a caring and supportive environment which in turn develops confidence level in children and enables them to articulate feelings and ideas. Furthermore, we ensure that the students feel good about themselves and acquire a high level of self esteem which assists them in possessing a positive moral responsibility being supportive, sensitive and above all, aware of the needs of others.

Strong bond amongst the students, parents and children is the strength of SANCTUM. Parents' support and cooperation is encouraged at all the levels. The school strives hard that all the students at the time of leaving the school walk out with positive experience and are prepared to move on to the next phase of their education.

OUR HOUSES

The four houses of our institution are the representation of the four basic pillars of life:

- HOPE
- CHARITY
- PEACE
- FAITH

At Sanctum, we discipline the child with a strictness of a father and softness of a mother. We believe that children are happier and more secure in a calm and well disciplined environment.

We discipline the children in a fair, firm and positive manner, appropriate to the age of the child. As the children grow, we aim to help them to develop a sense of responsibility for themselves & ultimately achieve a form of discipline that is self-motivated.

मेरी दीया की मदद मेरी बेटी संकटम एकेडमी में पढ़ती है। पहले वह कैंची स्कूल में पढ़ती थी और 2022 को मैंने संकटम एकेडमी में एडमिशन करवाया तो उस में बहुत परिवर्तन हुआ। पढ़ाई में उसकी टैबल इंग्लिश में बात करना वीडियो नेम एनिमल्स नेम आदि उसका सब आने लग गए। अपना होमवर्क खुद ही कर लेती है और यही जड़पान पॉलिसी के द्वारा पढ़ाई करवाइ गई इस योजना से वह पढ़ाई में सचे लगे लगे है और खुद ही पढ़ाई करती है।

बड़े भाई को याद करके सनारी है और विलेया में सबसे बात करती है। मैं संकटम एकेडमी का धन्यवाद करना चाहती है। साथ में मेरी दीया मेम का, अपना मेम का दोनों का धन्यवाद करना चाहती है।

मेरे बच्चे की शिक्षा के लिए Sanctum को प्रयत्न करना एक सही निर्णय साबित हुआ है। यहाँ का शिक्षा सिद्धांत और उत्कृष्ट शिक्षण पद्धति ने मेरे बच्चे की प्रत्येक आवश्यकता को पूरा किया है। यहाँ के शिक्षकों का समर्थन, सौजन्य और उत्साह उनकी प्रतिभा को निखारने में मदद करता है। मेरा बच्चा न केवल अकादमिक दृष्टि से प्रगति कर रहा है, बल्कि उनकी आत्मविश्वास और सामाजिक संवेदनता भी बढ़ रही है। Sanctum के विभिन्न सांस्कृतिक संवेदनता भी बढ़ रही है। कार्यक्रमों में उनका सक्रिय भागीदारी उन्हें एक समृद्ध अनुभव प्रदान करता है। मैं उनकी समृद्धि के लिए Sanctum को सराहना करता हूँ और इसे हर माता-पिता के लिए सर्वोत्तम शिक्षा संस्थान मानता हूँ।

"Choosing Sanctum for my child's education has been an investment in their future that I regret. From the moment we stepped through the doors, it was evident that this was more than just a school—it's a nurturing environment where students are encouraged to excel academically, socially, and emotionally. शिक्षकों की संपर्क की संख्या और उनकी गहन जानकारी से प्रेरित हूँ। वे छात्रों की भावनाओं और जरूरतों को समझते हैं और उन्हें सही दिशा में प्रेरित करते हैं। मेरे बच्चे ने न केवल अकादमिक दृष्टि से, बल्कि व्यक्तिगत स्तर पर भी बहुत कुछ सीखा है।

SANCTUM के विद्यार्थियों को जीवन में सफलता की दिशा में गाइड करने के लिए विभिन्न संगठनों, कार्यक्रमों और व्यावसायिक में उनकी शक्तियों को पहचानने के लिए निरंतर प्रोत्साहित किया जाता है।

Sanctum ने मेरे बच्चे के जीवन में एक बड़ा बदलाव लाया है और मैं उनके विकास के लिए उन्हें हमेशा ऋणी रहूँगा।"
